SUPPLEMENTARY INFORMATION:

Written comments and suggestions from the public and affected agencies concerning the proposed collection of information are encouraged. Your comments should address one or more of the following four points:

Overview of This Information Collection

- (1) Type of Information Collection: Extension of a currently approved collection
- (2) Title of the Form/Collection: OVW Solicitation Template
- (3) Agency form number, if any, and the applicable component of the Department of Justice sponsoring the collection: Form Number: 1122-0020. U.S. Department of Justice, OVW.
- (4) Affected public who will be asked or required to respond, as well as a brief abstract: Primary: The affected public includes applicants to OVW grant programs authorized under the Violence Against Women Act of 1994, as amended. These include States, territories, Tribes or units of local government, institutions of higher education including colleges and universities, tribal organizations, Federal, State, tribal, territorial or local courts or court-based programs, State sexual assault coalitions, State domestic violence coalitions; territorial domestic violence or sexual assault coalitions, tribal coalitions, community-based organizations, and non-profit, nongovernmental organizations. The purpose of the solicitation template is to provide a framework to develop program-specific announcements soliciting applications for funding. A program

solicitation outlines the specifics of the funding program; describes the requirements for eligibility; instructs an applicant on the necessary components of an application under a specific program (e.g. project activities and timeline, proposed budget); and provides registration dates, due dates, and instructions on how to apply within the designated application system. OVW is proposing revisions to the current OMB-approved solicitation template to reduce duplicative language, employ plain language, ensure consistency, outline all requirements clearly, and conform with 2 CFR Part 200, Uniform Administrative Requirements, Cost Requirements, Cost Principles, and Audit Requirements for Federal Awards.

- (5) An estimate of the total number of respondents and the amount of time estimated for an average respondent to respond/reply: It is estimated that information will be collected annually from the approximately 1800 respondents (applicants to the OVW grant programs). The public reporting burden for this collection of information is estimated at up to 30 hours per application. The 30-hour estimate is based on the amount of time to prepare a narrative, budget and other materials for the application and, if required, to coordinate with and develop a memorandum of understanding with requisite project partners.

- (6) An estimate of the total public burden (in hours) associated with the collection: The estimated public burden associated with this collection is 54,000 hours.
